**Report on Limited Review of the Unaudited Standalone Financial Results of the Company for the Half Year ended 30th September, 2021, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

1. We have reviewed the accompanying Balance Sheet of Andrew Yule & Company Limited (the "Company") as of September 30, 2021 and the related statements of Profit and Loss for the six months period then ended and a summary of the significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. Our responsibility is to express a conclusion on this interim financial information based on our review.

**Scope of Review:**

2. We conduct our review in accordance with the Standard on Review Engagement (SRE)2410," Review of Interim Financial Information Performed by the Independent Auditors of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. It is substantially less in scope than an audit conducted in accordance with the Standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that may be identified in an audit. Accordingly, we do not express an audit opinion.

**Basis for Qualified Conclusion:**

3. Based on the information provided to us by the management, we report the following:
  - (a) The merger of Hooghly Printing Company Limited (HPCL) with Andrew Yule and Company Limited (The Company) under a scheme of amalgamation had been referred to NCLT under Section 232 of The Companies Act, 2013. NCLT had granted its approval vide its Order dated 3<sup>rd</sup> May, 2021. Pursuant to this order, all properties, assets, rights, powers and undertakings of the transferor company, as well as the liabilities, obligations, duties of the transferor company has been transferred to the transferee company. All suits and legal proceedings for and against the transferor company will also be valid against the transferee company from the "effective date" of transfer. The effective date of transfer being 4<sup>th</sup> June, 2021, the merger has been given effect to in the accounts of Andrew Yule and Company Limited during the three months ended 30<sup>th</sup> June, 2021. However, no evidence of due diligence being performed by the Company including

audited balance sheet and profit and loss accounts on date of merger, valuation of fixed assets , inventories and valuation of other assets and liabilities and confirmation of balances obtained from debtors, creditors and advances and other receivables and payables were available for our verification. Bank statement of overdraft account (Rs.35.39 lakhs as on 30.09.2021) was not made available for verification. Hence we are unable to comment on the status of assets and liabilities till the above procedures are conducted by the Company. We have been informed that sundry debtors of Rs.107.44 lakhs of HPCL are fully provided for.

All the assets and liabilities of HPCL has been merged with the General Division of the Company. The written down value of property , plant and equipment has been transferred to General Division of the Company and appears as "Assets held for Disposal" in the Balance Sheet of the Company as at 30<sup>th</sup> September , 2021 valued at Rs. 54.86 lakhs only.

(b) No calculation has been made during the half year for the following items appearing in Other Comprehensive Income in the Financial Statements: Hence effect of the same on profits/losses thereof is not ascertainable.

-Computation of actuarial gains/losses

-Calculation of deferred tax

( c ) In the 242<sup>nd</sup> meeting of the Board of Directors held on 2<sup>nd</sup> June, 2021, the recommendation to the Board for consideration/approval of the proposal for closure of Electrical-Kolkata operations through VRS/VSS route from own resources by September, 2021 have been approved , subject to the approval of the ministry concerned and other necessary approvals which are pending till date. A preliminary estimate of the expenditure which may be incurred by the Company on the above VRS/VSS scheme amounts to Rs. 2881.24 lakhs which has to be paid by November/December, 2021. Neither any separate fund for payment of this amount has been created by the Company , nor any provision for the same has been made in the accounts for the half year ended 30<sup>th</sup> September, 2021. The probable impact on working capital of the Company after disbursement of VRS/VSS funds is yet to be ascertained.

(d) Pursuant to the pending closure of Electrical Division, Kolkata, the review/balance confirmation of sundry debtors and other receivables and advances of the division has not been carried out to determine the actual position of realisability of the same.

#### **Qualified Conclusion:**

4. Based on our review , with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information does not present fairly, in all material aspects the state of affairs of the Company as at 30<sup>th</sup> September , 2021 and of its results of operations for the six months period then ended in accordance with Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is so disclosed .

## 5. Emphasis of Matter:

We draw attention to the following:

	<b>Without qualifying our review report, we draw attention to the following:</b>
a.	In the absence of IT system audit, security of accounting/operational data, recovery of data through IT disaster management system and manual intervention at crucial levels of data transfer and at the time of consolidation result in high audit risk. The Ministry of Corporate Affairs have also introduced the concept of “audit trail” as a compulsory part of the maintenance of accounts and should cover the entire accounting system of the Company. The Company has introduced such features for financial transactions eg cash/bank etc. This is to be introduced in all divisions of the Company.
b.	The absence of exercise of adequate controls in the process of maintaining the records of the companies lease deeds and title deeds enhances the audit risk. We have been informed that certified true copy of title deed of Tinkong Tea Estate and Basmatia Tea Estate have been received and deposited to bank, while obtaining certified true copy for the Pearl Apartments, Kolkata is pending.
c.	Electrical Division has not contributed an amount of Rs. 742.70 lakhs and Tea Division has not contributed an amount of Rs. 604.11 lakhs to the Company’s gratuity fund which is utilised towards payment of gratuity to employees on retirement.
d.	Provident Fund recoverable of Rs. 42.97 Lakhs pending over 10 years from PF department of Government of India has been provided for in the accounts.
e.	Lease agreement of three tea gardens namely Banerhat, Choonabhutti and Haritalguri-3(of New Dooars)and Brentford Unit of Electrical Division, Kolkata has not been renewed since long. Plate B of Brentford Unit has been handed over to landlord – Kolkata Port Trust on 1 <sup>st</sup> October, 2021 while Plate A remains with the Company. Lease rent is being paid by the Company. Salami asked for by the West Bengal Government for renewal of lease of tea gardens amounting to Rs.177.66 lakhs (PY-Rs. 177.66 lakhs) is treated as “Claims not acknowledged as debts”. The matter should be resolved immediately as it disputes the Company’s ownership of the tea gardens under its operation.
f.	All the inoperative bank accounts of the Company in its various divisions should be closed to mitigate the fraud risk. Also many bank accounts have authorized signatories who have retired/resigned from the Company. These former employees should be replaced as signatories by the officials who are currently in the employment of the Company. The bank statements of some accounts including inoperative accounts were not provided for our verification.
g.	BSE has imposed a fine for every quarter of 2020-21 on the Company for non compliance of the requirements of the Regulation 17(1) of the SEBI ( LODR) Regulations, 2015 pertaining to the composition of the Board including failure to appoint a woman director. These fines have not been paid by the Company as appointment of Directors is done by the Companies administrative ministry. The Company had taken up the matter with its administrative ministry and BSE pursuant to which the fines upto 31 <sup>st</sup> December, 2020have been waived by BSE. The Bill for April to June 2021 amounting to Rs.5,36,900/- has been received by the Company. No provision for the same has been made in the accounts. As intimated by the Company, GOI has appointed woman director with effect from 02.11.2021.
h.	In some cases, the income tax deducted at source required to be made as per Income tax act is overlooked or delayed. Control over TDS/TCS deductions need to be improved upon both

	manually and by the system and TDS/TCS should be deposited within time with the appropriate authority.
i.	The Company has assessed the effect on its operations due to the nationwide lockdown arising out of COVID 19 and concluded that no material adjustment are required for the same in the accounts as per Note No.5 of the financial statements.
j.	The Company has made an interest payment of Rs.45.82 lakhs to GST department mainly due to irregular reconciliations of GST Input Credit among other reasons during the Financial Year 2018-19 and such irregularities due to late reconciliation continue till date.
k.	There are a large number of debit balances in Trade Payables accounts which should be reconciled and adjusted with relevant heads of account.
l.	The Company held preference shares in WEBFIL amounting to Rs. 204.40 lakhs as on 1 <sup>st</sup> April, 2021 .They have communicated vide letter no AY/PREF/96 dated 31.03.2021 requesting deferment of payment of dividend and principal due to stress in the company due to ongoing pandemic. The first instalment of redemption proceeds has been received by chq. Dated 01.04.2021 for Rs.91.52 lakhs comprising dividend of Rs.40.42 lakhs and principal of Rs.51.10 lakhs. The principal outstanding as on 30 <sup>th</sup> September, 2021 amounts to Rs. 153.30 lakhs. . No evaluation of Expected Credit Loss (ECL) due to deferment of payment has been made by the Company and no resulting provision has been created.
m.	Unadjusted advances of tea division include Rs270.16 Lakhs for paying gratuity to workers remained outstanding for more than one year and has not been recovered from the Life Insurance Corporation of India . Also an amount of Rs. 62 lakhs for electricity duty remained outstanding for more than three years which was included under Bills receivable account and duly provided for. There are old outstanding advances lying in all divisions of the Company which should be adjusted after scrutiny.
n.	The Company had a practice of charging interest on inter garden balances /deposits which has been discontinued since long. However, interest accrued and due on these balances are still being carried forward. The same should be adjusted/written off after scrutiny.
o.	The Company should implement procedures for physical verification of assets at reasonable intervals commensurate with the size and nature of its business as per the laid down policy of the Company.
p	Stale cheques remaining in the bank reconciliation statements should be adjusted as quickly as possible.
q	Noaudit report of the Trust formed to manage the Pension Fund of the Company has been provided to us.
r	The use of Suspense account at the time of making entries in the books of accounts should be discontinued with all postings made in proper heads of accounts.

## CHARTERED ACCOUNTANTS

To  
The Board of Directors  
Andrew Yule & Company Limited.

Dated: 12<sup>th</sup> NOVEMBER, 2021

**Independent Auditors Review Report of the Consolidated Unaudited Quarterly Financial Results of the Company for the Six Months ended 30th September, 2021, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Andrew Yule & Company Limited ( "the Parent ") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and Associate Companies , reviewed by other auditors, and its proportionate share of the profit after tax and total comprehensive income/loss of its subsidiaries and associates for the six months ended 30th September, 2021 "the Statement" being submitted by the Parent Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations , 2015, as amended.
2. This statement which is the responsibility of the Parent's management and being approved by the Parent's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in IND AS 34-"Interim Financial Reporting" prescribed under Section 133 of The Companies Act, 2013 and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.

### Scope of Review:

3. We conduct our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410," Review of Interim Financial Information Performed by the Independent Auditors of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. It is substantially less in scope than an audit conducted in accordance with the Standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that may be identified in an audit .Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 , as amended, to the extent applicable.

4. The statement includes the results of the following entities:

Subsidiaries:-

(i) Yule Engineering Ltd.

(ii) Yule Electrical Ltd.

(iii) The erstwhile subsidiary Hooghly Printing Company Limited was merged with the parent Company on 4<sup>th</sup> June, 2021. Hence not treated as a subsidiary on 30<sup>th</sup> September, 2021.

Associates:

(i) Tide Water Oil Co. (India) Ltd.

(ii) The New Beerbhoom Coal Company Ltd. and Katras Jheriah Coal Co. Ltd. ceased to be Associate Companies with effect from 13<sup>th</sup> August, 2021 as the Company transferred a part of its shareholding in both these Companies to the Bengal Coal Company Ltd., thus bringing the shareholding below 20% being the minimum threshold required to classify the two Companies as "Associates." Hence these two companies are not treated as "Associate" on 30<sup>th</sup> September, 2021.

**Basis for Qualified Conclusion:**

5. Based on the information provided to us by the management, we report the following:

(a) The merger of erstwhile subsidiary Hooghly Printing Company Limited (HPCL) with Andrew Yule and Company Limited (The Parent) under a scheme of amalgamation had been referred to NCLT under Section 232 of The Companies Act, 2013. NCLT had granted its approval vide its Order dated 3<sup>rd</sup> May, 2021. Pursuant to this order, all properties, assets, rights, powers and undertakings of the transferor company, as well as the liabilities, obligations, duties of the transferor company will be transferred to the transferee company. All suits and legal proceedings for and against the transferor company will also be valid against the transferee company from the "effective date" of transfer. The effective date of transfer being 4<sup>th</sup> June, 2021, the merger has been given effect to in the accounts of Andrew Yule and Company Limited during the three months ended 30<sup>th</sup> June, 2021. However, no evidence of due diligence being performed by the Company including audited balance sheet and profit and loss accounts on date of merger, valuation of fixed assets, inventories, and verification of other assets and liabilities and confirmation of balances obtained from debtors, creditors and advances and other receivables and payables were available for our verification. Bank statement of overdraft account Rs.35.39 lakhs (DR) was not available for verification. Hence we are unable to comment on the status of assets and liabilities till the above procedures are conducted by the Company. We have been informed that sundry debtors of Rs.107.44 lakhs of HPCL are fully provided for.

All the assets and liabilities of HPCL has been merged with the General Division of the Company. The written down value of property, plant and equipment has been transferred to General Division of the Company and appears as "Assets held for Disposal" in the Balance Sheet of the Parent as on 30<sup>th</sup> September, 2021 valued at Rs.54.86 lakhs only.

(b) No calculation has been made during the half year for the following items appearing in Other Comprehensive Income in the financial statements of the Parent : Hence effect of the same on profits/losses thereof is not ascertainable.

-Computation of actuarial gains/losses

-Calculation of deferred tax

( c ) In the 242<sup>nd</sup> meeting of the Board of Directors held on 2<sup>nd</sup> June, 2021, the recommendation to the Board for consideration/approval of the proposal for closure of Electrical-Kolkata operations through VRS/VSS route from own resources by September, 2021 have been approved , subject to the approval of the ministry concerned and other necessary approvals which are pending till date. A preliminary estimate of the expenditure which may be incurred by the Company on the above VRS/VSS scheme amounts to Rs. 2881.24 lakhs which has to be paid by November/December, 2021. Neither any separate fund for payment of this amount has been created by the Company , nor any provision for the same has been made in the accounts for the half year ended 30<sup>th</sup> September, 2021. The probable impact on working capital of the Company after disbursement of VRS/VSS funds is yet to be ascertained.

(d) Pursuant to the pending closure of Electrical Division, Kolkata, the review/balance confirmation of sundry debtors and other receivables and advances of the division has not been carried out to determine the actual position of realisability of the same.

#### Qualified Conclusion:

6. Based on our review conducted and procedures performed as stated in paragraph 3 above , with the exception of the matter described in the preceding paragraph and based upon the consideration of the review reports of other auditors referred to in paragraph 8 below, nothing has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in aforesaid IND AS and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is so disclosed or that it contains any material misstatement.

#### 7. Emphasis of Matter:

	<b>Without qualifying our review report, we draw attention to the following:</b>
a.	In the absence of IT system audit, security of accounting/operational data, recovery of data through IT disaster management system and manual intervention at crucial levels of data transfer and at the time of consolidation result in high audit risk. The Ministry of Corporate Affairs have also introduced the concept of "audit trail" as a compulsory part of the maintenance of accounts and should cover the entire accounting system of the Company. The Company has introduced such features for financial transactions eg cash/bank etc. This is to be introduced in all divisions of the Company.

b.	The absence of exercise of adequate controls in the process of maintaining the records of the companies lease deeds and title deeds enhances the audit risk. We have been informed that certified true copy of title deed of Tinkong Tea Estate and Basmatia Tea Estate have been received and deposited to bank, while obtaining certified true copy for the Pearl Apartments, Kolkata is pending.
c.	Electrical Division has not contributed an amount of Rs. 742.70 lakhs and Tea Division has not contributed an amount of Rs. 604.11 lakhs to the Company's gratuity fund which is utilised towards payment of gratuity to employees on retirement.
d.	Provident Fund recoverable of Rs. 42.97 Lakhs pending over 10 years from PF department of Government of India has been provided for in the accounts.
e.	Lease agreement of three tea gardens namely Banerhat, Choonabhutti and Haritalguri-3(of New Dooars)and Brentford Unit of Electrical Division, Kolkata has not been renewed since long. Plate B of Brentford Unit has been handed over to landlord – Kolkata Port Trust on 1 <sup>st</sup> October, 2021 while Plate A remains with the Company. Lease rent is being paid by the Company. Salami asked for by the West Bengal Government for renewal of lease of tea gardens amounting to Rs.177.66 lakhs (PY-Rs. 177.66 lakhs) is treated as "Claims not acknowledged as debts". The matter should be resolved immediately as it disputes the Company's ownership of the tea gardens under its operation.
f.	All the inoperative bank accounts of the Company in its various divisions should be closed to mitigate the fraud risk. Also many bank accounts have authorized signatories who have retired/resigned from the Company. These former employees should be replaced as signatories by the officials who are currently in the employment of the Company. The bank statements of some accounts including inoperative accounts were not provided for our verification.
g.	BSE has imposed a fine for every quarter of 2020-21 on the Company for non compliance of the requirements of the Regulation 17(1) of the SEBI ( LODR) Regulations, 2015 pertaining to the composition of the Board including failure to appoint a woman director. These fines have not been paid by the Company as appointment of Directors is done by the Companies administrative ministry. The Company had taken up the matter with its administrative ministry and BSE pursuant to which the fines upto 31 <sup>st</sup> December, 2020 have been waived by BSE. The Bill for April to June 2021 amounting to Rs.5,36,900/- has been received by the Company. No provision for the same has been made in the accounts. As intimated by the Company, GOI has appointed woman director with effect from 02.11.2021.
h.	In some cases, the income tax deducted at source required to be made as per Income tax act is overlooked or delayed. Control over TDS/TCS deductions need to be improved upon both manually and by the system and TDS/TCS should be deposited within time with the appropriate authority.
i.	The Company has assessed the effect on its operations due to the nationwide lockdown arising out of COVID 19 and concluded that no material adjustment are required for the same in the accounts as per Note No. 5 of the financial statements.
j.	The Company has made an interest payment of Rs.45.82 lakhs to GST department mainly due to irregular reconciliations of GST Input Credit among other reasons during the Financial Year 2018-19 and such irregularities due to late reconciliation continue till date.
k.	There are a large number of debit balances in Trade Payables accounts which should be reconciled and adjusted with relevant heads of account.
l.	The Company held preference shares in WEBFIL amounting to Rs. 204.40 lakhs as on 1 <sup>st</sup> April, 2021. They have communicated vide letter no AY/PREF/96 dated 31.03.2021 requesting deferment of payment of dividend and principal due to stress in the company due to ongoing pandemic. The first instalment of redemption proceeds has been received by chq. Dated 01.04.2021 for Rs.91.52 lakhs comprising dividend of Rs.40.42 lakhs and principal of

	Rs.51.10 lakhs . The principal outstanding as on 30 <sup>th</sup> September, 2021 amounts to Rs. 153.30 lakhs. . No evaluation of Expected Credit Loss (ECL) due to deferment of payment has been made by the Company and no resulting provision has been created.
m.	Unadjusted advances of tea division include Rs 270.16 Lakhs for paying gratuity to workers remained outstanding for more than one year and has not been recovered from the Life Insurance Corporation of India . Also an amount of Rs. 62 lakhs for electricity duty remained outstanding for more than three years which was included under Bills receivable account and duly provided for. There are old outstanding advances lying in all divisions of the Company which should be adjusted after scrutiny.
n.	The Company had a practice of charging interest on inter garden balances /deposits which has been discontinued since long. However, interest accrued and due on these balances are still being carried forward. The same should be adjusted/written off after scrutiny.
o.	The Company should implement procedures for physical verification of assets at reasonable intervals commensurate with the size and nature of its business as per the laid down policy of the Company.
p	Stale cheques remaining in the bank reconciliation statements should be adjusted as quickly as possible.
q	No audit report of the Trust formed to manage the Pension Fund of the Company has been provided to us.
r	The use of Suspense account at the time of making entries in the books of accounts should be discontinued with all postings made in proper heads of accounts.
s	The auditors of the two subsidiary companies, namely Yule Engineering Limited and Yule Electrical Limited have reported in "Emphasis of Matter" the following: <ul style="list-style-type: none"> <li>i. There are no significant transactions during this period and no operating activity in the current period as well as in the recent past was evidenced. The concept of going concern does not exist.</li> <li>ii. No agreement related to the terms of payment and interest payable, if any was available for unsecured borrowings from Andrew Yule &amp; Co.Ltd.</li> <li>iii. Confirmation of loan taken from others by Yule Electrical Ltd. was not produced before auditors.</li> </ul>

(8) We did not review the interim financial results of two subsidiaries, namely, Yule Engineering Ltd. and Yule Electrical Limited, included in the consolidated unaudited financial results , and whose interim financial results reflect total assets of Rs. 0.05 lakhs as at 30th September, 2021 and total revenues of Rs.0.08 Lakhs and total net loss of Rs 0.73 Lakhs.(Towards discontinued operations) and total comprehensive loss of Rs.0.73 Lakhs for the six months ended 30th September, 2021.

The unaudited consolidated financial results of the associate company , Tide Water Oil Co. (India) Ltd. are reviewed by other auditors . Proportionate share of profit after tax of (-)Rs.420.67 lakhs, and total comprehensive income of (-)Rs-420.67 lakhs of the Tide Water Oil Co.(India) Ltd. for the six months ended 30th September, 2021 has been included in the unaudited consolidated financial results.

These interim financial results of these subsidiaries and associates have been reviewed by other auditors and furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, is based solely on the reports of other auditors, and the procedures performed by us as stated in Paragraph 3 above, our conclusion on the Statement is not modified in respect of the above matters.
