Report on Limited Review of the Unaudited Standalone Financial Results of the Company for the Six Months ended 30th September, 2022 Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

1. We have reviewed the accompanying Balance Sheet of Andrew Yule & Company Limited (the "Company") as of 30th September, 2022 and the related statements of Profit and Loss for the six months period then ended and a summary of the significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review:

2. We conduct our review in accordance with the Standard on Review Engagement (SRE)2410," Review of Interim Financial Information Performed by the Independent Auditors of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. It is substantially less in scope than an audit conducted in accordance with the Standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that may be identified in an audit .Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion:

3(a)Assets held for Sale: The written down value of Property Plant and Equipment of Hooghly Printing Company Limited (HPCL) which has been merged with Andrew Yule & Company Limitedwef 4thJune, 2021 amounting to Rs. 50.77 lakhs and the written down value of Property, Plant & Equipment of erstwhile Electrical Division, Kolkata

S. Bein

(closed on 25th November, 2021)amounting to Rs. 683.22 lakhs appears in the books of the General Division of the Company as "Assets Held for sale". Sales/adjustment of such assets has been reported for the quarter amounting to Rs. 4.06 Lakhs and Rs.1.81 lakhs respectively.

No inspection report or valuation report of the remaining assets weremade available to us..Hence we are unable to comment on the realisable value of these remaining assets and whether any provision is required.

3(b) No provision has been made during the six months for the following items appearing in Other Comprehensive Incomein the Financial Statements: Hence effect of the same on profits/losses thereof is not ascertainable.

-Computation of actuarial gains/losses and calculation of deferred tax and income tax on the same.

In case of matters specified in paragraphs 3(a) to 3(b) above, effect on profits/losses of the Company could not be ascertained in absence of adequate information.

4. Qualified Conclusion:

4. Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information does not present fairly, in all material aspects the state of affairs of the Company as at 30thSeptember, 2022 and of its results of operations for the sixmonths period then ended in accordance with Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is so disclosed

5. Emphasis of Matter:

We draw attention to the following:

- (a) In the absence of IT system audit, security of accounting/operational data, recovery of data through IT disaster management system and manual intervention at crucial levels of data transfer and at the time of consolidation result in high audit risk. The Ministry of Corporate Affairs have also introduced the concept of "audit trail" as a compulsory part of the maintenance of accounts and should cover the entire accounting system of the Company w.e.f. 2023-24. The Company has introduced such features for financial transactions only e.g. cash/bank etc. Whole accounting system should be under audit trail as per Ministry of Company Affairs.
- (b) Absence of exercise of adequate controls in the process of maintaining the

records of the company's lease deeds and title deeds enhances the audit risk.

- (c) None of the divisions of the Company have contributed any amount to the Company's gratuity fund which is utilised towards payment of gratuity to employees on retirementamounting to Rs.1526.88 lakhs.
- (d) An amount of Rs. 42.97 Lakhsrefund from PF department, Government of India pursuant to an order issued by erstwhile BIFR in FY 2015-16is pending since long. However the amount has been fully provided for in the accounts.
- (e) Lease agreement of three tea gardens namely Banerhat, Choonabhutti and Haritalguri-3(of New Dooars) has not been renewed since long. Salami asked for by the West Bengal Government for renewal of lease of tea gardens amounting to Rs.177.66 lakhs (PY-Rs. 177.66 lakhs) is treated as "Claims not acknowledged as debts" by the Company. The matter should be resolved immediately as it disputes the Company's ownership of the tea gardens under its operation. Lease agreement of MIM garden had expired in June 2021 and the renewal of the lease is under process till date. Plate B of Brentford Unit has been handed over to landlord Kolkata Port Trust on 1st October, 2021 and there is a proposal to transfer Plate A to Kolkata Port Trust after renewal of lease and fixation of interest payable. Lease rent is being paid by the Company.
- (f) A few inoperative bank accounts of the Company still exist and should be closed to mitigate the fraud risk. The bank accounts have authorized signatories who have retired/resigned from the Company. These former employees should be replaced as signatories by current employees of the Company.
- (g) Current municipal tax receipts of some of the properties held by the Company were not made available for our verification.
 - (h) There are old outstanding advances lying in all divisions of the Company which remained unadjusted. In case of tea division an amount of Rs.2757.90 lakhs has been given as advance under various heads of expenses against which provision for doubtful advances exist amounting to Rs.125.48 lakhs only. These advances includes the following:
 - -Prepaid expenses, which should be shown separately.
 - -"Advance given on account of gratuity" to employees amounting to Rs.525.10 lakhs remains unadjusted due to non recovery from LIC.
 - -A sum of Rs. 62.22 lakhs are old outstanding advances against which no provision has been made.
 - -One CAPEX advance of Rs.26.75 lakhs remain unadjusted for a long time.
 - -Some instances of stores transferred from one tea garden to other gardens amounting to Rs91.13 lakh are lying in Advance account in the Tea

Division pending raising of Goods Received Note (GRN).

(i) The Company holds 4,15,000 equity shares in WEBFIL valued at Rs.35.37 Lakhs (NAV). It also held 6% Cumulative redeemable preference shares of Rs 10/- each fully paid up at par-Rs. 153.30 lakhs (original value Rs. 204.40 Lakhs) and Unsecured Redeemable Convertible Bond Rs. 295.00 Lakhs (original value of Rs. 305.00 Lakhs) which were to be redeemed on 1.4.21 and 20.12.21 respectively. Only part payment of the amount due was received by the Company on the due dates. WEBFIL has paid an amount of Rs.160 lakhs on 20.04.2022 and the preference shares are fully redeemed as on date. Amount payable for dividend on preference share amounted to Rs. 120 lakhs approx is payable during 2023-24.

The balance outstanding for Convertible Bonds as on 30.09.2022 amounted to Rs.295 lakhs. WEBFIL has submitted a repayment schedule for the balance amount payable. No evaluation of Expected Credit Loss (ECL) due to deferment of payment has been made by the Company and no resulting provision has been created.

- (j)In Tea Division, Bills Receivables amounting to Rs 260.46 lakhs comprising of subsidies receivable and other receivables from various government agencies and organisations remained due for more than a year. This amount includes an amount of Rs. 91.89 Lakhs towards land compensation receivable from Indian Oil which is outstanding for more than three years. Adequate follow up is non existent.
- (k) There is delay in deposit of PF, DLI and PF Administration charges in the case of some tea gardens.
- (l) Few receipts of security deposits made by the Company with various organisations were not available for our verification.
- (m)No accounts and audit report of the Trust formed to manage the Pension Fund of the Company has been provided to us.
- (n) The proposal regarding assets held for sale has been agreed to by the audit committee and approved by the Board . However, the Audit Committee was informed that the amounts mentioned in the proposals were above the existing limits of Delegation of Power (DOP) of CMD and Committee of Directors . Hence the DOP of CMD and the Committee of Directors needs to be revised to give effect to these proposals. Such revision of DOP is pending as on date of report.
- (o) In the asset register of tea division it was found that some assets had been categorised under wrong heads and do not match with the assets heads as per Schedule II of the Companies Act, 2013. In some cases the lives of the assets do not match with the lives given in Part C of Schedule II to the Companies Act, 2013 except for plant and machinery, where a technical report showing different lives have been provided to us. In some cases the balance lives of fixed assets have been taken

d. Ran

wrongly.

We found that names /nature of many items of Plant & machinery and Furniture & Fixtures were not being specified. The physical existence, physical condition and realisable value of these assets are in doubt.

(p) T D S has been deducted by Engineering Dept. on paid basis whereas Income Tax Act,1961 requires deduction of Tax on the date of credit or date of payment, whichever is earlier

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. We also performed procedures in accordance with the Circular issued by SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended, to the extent applicable.

4. The statement includes the results of the following entities:

Qualified Conclusion:

6. Based on our review, with the exception of the matter described in the preceding paragraph, and based on consideration of review reports of subsidiary auditors and associate auditors referred to in paragraph 4 above ,nothing has come to our attention that causes us to believe that the accompanying interim financial information prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind-AS and other accounting principles generally accepted in India has not disclosed the information required to be disclosed or does not present fairly, in all material aspects the state of affairs of the Company as at 30thSeptember, 2022, and of its results of operations for thesix months period then ended in accordance with Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is so disclosed or contains any material misstatement.

Emphasis of Matter:

We draw attention to the following:

- (a) In the absence of IT system audit, security of accounting/operational data, recovery of data through IT disaster management system and manual intervention at crucial levels of data transfer and at the time of consolidation result in high audit risk. The Ministry of Corporate Affairs have also introduced the concept of "audit trail" as a compulsory part of the maintenance of accounts and should cover the entire accounting system of the Company w.e.f. 2023-24. The Company has introduced such features for financial transactions only e.g. cash/bank etc. Whole accounting system should be under audit trail as per Ministry of Company Affairs.
- (b) Absence of exercise of adequate controls in the process of maintaining the records of the company's lease deeds and title deeds enhances the audit risk.
- (c) None of the divisions of the Company have contributed any amount to the Company's gratuity fund which is utilised towards payment of gratuity to employees on retirement amounting to Rs.1526.88 lakhs.
- (d) An amount of Rs. 42.97 Lakhsrefund from PF department, Government of India pursuant to an order issued by erstwhile BIFR in FY 2015-16 is pending since long. However the amount has been fully provided for in the accounts.
- (e) Lease agreement of three tea gardens namely Banerhat, Choonabhutti and Haritalguri-3(of New Dooars) has not been renewed since long. Salami asked for by the West Bengal Government for renewal of lease of tea gardens amounting to Rs.177.66 lakhs (PY-Rs. 177.66 lakhs) is treated as "Claims not acknowledged as debts" by the Company. The matter should be resolved immediately as it disputes the Company's ownership of the tea gardens under its operation. Lease agreement of MIM

garden had expired in June 2021 and the renewal of the lease is under process till date. Plate B of Brentford Unit has been handed over to landlord – Kolkata Port Trust on 1st October, 2021 and there is a proposal to transfer Plate A to Kolkata Port Trust after renewal of lease and fixation of interest payable. Lease rent is being paid by the Company.

- (f) Few inoperative bank accounts of the Company still exist and should be closed to mitigate the fraud risk. The bank accounts have authorized signatories who have retired/resigned from the Company. These former employees should be replaced as signatories by current employees of the Company.
- (g) Current municipal tax receipts of some of the properties held by the Company were not made available for our verification.
- (h) There are old outstanding advances lying in all divisions of the Company which remained unadjusted. In case of tea division an amount of Rs.2757.90 lakhs has been given as advance under various heads of expenses against which provision for doubtful advances exist amounting to Rs.125.48 lakhs only. These advances includes the following:
 - -Prepaid expenses, which should be shown separately.
 - -"Advance given on account of gratuity" to employees amounting to Rs.525.10 lakhs remains unadjusted due to non recovery from LIC.
 - -A sum of Rs. 62.22 lakhs are old outstanding advances against which no provision has been made.
 - One CAPEX advance of Rs.26.75 lakhs remain unadjusted for a long time.
 - Some instances of Stores transferred from one tea garden to other gardens amounting to Rs 91.13 lakh are lying in Advance account in the Tea Division pending raising of Goods Received Note (GRN).
- (i) The Company holds 4,15,000 equity shares in WEBFIL valued at Rs.35.37 Lakhs (NAV). It also held 6% Cumulative redeemable preference shares of Rs 10/- each fully paid up at par-Rs. 153.30 lakhs (original value Rs. 204.40 Lakhs) and Unsecured Redeemable Convertible Bond Rs. 295.00 Lakhs (original value of Rs. 305.00 Lakhs) which were to be redeemed on 1.4.21 and 20.12.21 respectively. Only part payment of the amount due was received by the Company on the due dates. WEBFIL has paid an amount of Rs.160 lakhs on 20.04.2022 and the preference shares are fully redeemed as on date. Amount payable for dividend on preference share amounted to Rs. 120lakhs approx is payable during 2023-24.

The balance outstanding for Convertible Bonds as on 30.09.2022 amounted to Rs.295 lakhs. WEBFIL has submitted a repayment schedule for the balance amount payable. This amount includes an amount of Rs. 91.89 Lakhs towards land compensation receivable from Indian Oil which is outstanding for more than three years. Adequate follow up is non existent.
- (k) There is delay in deposit of PF, DLI and PF Administration charges in the case of some tea gardens.
- (l) Few receipts of security deposits made by the Company with various organisations were not available for our verification.
- (m)No accounts and audit report of the Trust formed to manage the Pension Fund of the Company has been provided to us.
- (n) The proposal regarding assets held for sale has been agreed to by the audit committee and approved by the Board . However, the Audit Committee was informed that the amounts mentioned in the proposals were above the existing limits of Delegation of Powers (DOP) of CMD and Committee of Directors , hence the DOP of CMD and the Committee of Directors needs to be revised to give effect to these proposals. Such revision of DOP is pending as on date of report.
- (o) In the asset register of tea division it was found that some assets had been categorised under wrong heads and do not match with the assets heads as per Schedule II of the Companies Act, 2013. In some cases the lives of the assets do not match with the lives given in Part C of Schedule II to the Companies Act, 2013 except for plant and machinery, where a technical report showing different lives have been provided to us. In some cases the balance lives of fixed assets have been taken wrongly.

We found that names /nature of many items of Plant & machinery and Furniture & Fixtures were not being specified .The physical existence, physical condition and realisable value of these assets are in doubt.
